EFYL AddressBook

COMPLETE QUESTIONNAIRE REFERENCE

All questions of the 4 surveys, in the exact order of the application,
with answer choices, per-person and per-frequented-place questions.

Version: August 2026 — matches the production application

Common question	Building type choice
Survey 1	HOUSEHOLD (home) — 17 questions + per-person sheet (7) + per-place sheet (4)
Survey 2	COMMERCE (shop, workshop, clinic) — 8 questions
Survey 3	PUBLIC SERVICE (school, health, government) — 9 questions
Survey 4	SACRED / TOURIST SITE (heritage) — 14 questions
Appendix	Information collected at address creation (before any survey)

COMMON QUESTION — Start of every survey

Screen shown: "What type of building?" — Commerces and public services are visible to all users after sync. Households remain private.

Q1. What type of building? [REQUIRED]

Answer type: Single choice (4 cards)

Available choices: Household (home) — private data, visible to you only • Commerce (shop, workshop, clinic) — public data shared with the community • Public service (school, health, government) — public data, visible to the community • Sacred / tourist site — heritage, culture, tourism, public data

At any time: "Continue later" button (saves a draft), "Back" button (returns to the previous question keeping all answers).

SURVEY 1 — HOUSEHOLD (home)

Flow: type choice → introduction → 17 questions → sheet for EACH household member (with frequented places) → summary → save.

Introduction screen: "What type of building do you want to survey?" + address code, "Start survey" button.

Q1. Family / household name [REQUIRED]

Answer type: Free text (e.g. Kamdem family)

Q2. How many people live in this household? [REQUIRED]

Answer type: Number (- / + buttons, minimum 1)

Rule: the number declared here must EXACTLY match the number of persons recorded at the end (blocked otherwise).

Q3. What is the main source of income? [REQUIRED]

Answer type: Free text (e.g. Commerce, Agriculture...)

Q4. Other sources of income [optional]

Answer type: Free text

Q5. Household income level [REQUIRED]

Answer type: Single choice

Available choices: Very low — irregular income, under 50,000 FCFA/month, basic needs hard to cover • Low — 50,000 to 150,000 FCFA/month, basic needs covered, little or no savings • Medium — 150,000 to 500,000 FCFA/month, comfortable life, savings possible • High — over 500,000 FCFA/month, well-off household (vehicle, investments)

Q6. How many phones in the household? [REQUIRED]

Answer type: Number (- / + buttons)

Q7. Do you have internet access at home? [REQUIRED]

Answer type: Yes / No

Q8. How is electricity in the house? [REQUIRED]

Answer type: Single choice

Available choices: Stable • Unstable • None

Q9. Is there access to running water inside the home? [REQUIRED]

Answer type: Single choice

Available choices: Stable • Unstable • None

Q10. What type of toilets do you have? [REQUIRED]

Answer type: Single choice

Available choices: Flush • Traditional • Other

If "Other": REQUIRED follow-up question "Specify toilet type" (free text).

Q11. Where is the kitchen? [REQUIRED]

Answer type: Single choice
Available choices: In a separate room • In the living room • Separate building
Rule shown on screen: a kitchen physically separated from the main building is a separate building — create its own EFYL address.

Q12. How many rooms does the dwelling have (excluding kitchens and bathrooms)? [REQUIRED]
Answer type: Number (minimum 1)
Instruction shown: include bedrooms, living rooms and any other habitable rooms.

Q13. How many floors in the building? [REQUIRED]
Answer type: Number (minimum 1)

Q14. Wall materials [REQUIRED]
Answer type: Single choice
Available choices: Concrete • Adobe • Wood • Other
If "Other": REQUIRED follow-up question "Specify wall material" (free text).

Q15. Glass windows? [REQUIRED]
Answer type: Yes / No

Q16. Roof materials [REQUIRED]
Answer type: Single choice
Available choices: Metal sheet • Wood • Plastic • Concrete • Other
If "Other": REQUIRED follow-up question "Specify roof material" (free text).

Q17. How many vehicles does the household own? [REQUIRED]
Answer type: 4 separate counters (- / + buttons)
Available choices: Bicycles • Motorcycles • Cars • Trucks
Transition screen: "Fill in information for each household member."

PER-PERSON SHEET — filled for EACH household member

The "Household members" screen shows a counter "X recorded out of Y" (adjustable with - / +). The "Finish list" button is BLOCKED until every declared person is recorded. If 3 people are declared, the questions below are asked 3 times (one sheet per person):

Q1. Full name [REQUIRED]
Answer type: Free text

Q2. Phone or email [optional]
Answer type: Free text

Q3. Age [REQUIRED]
Answer type: Number (between 0 and 120)

Q4. Gender [REQUIRED]
Answer type: Single choice
Available choices: Male • Female

Q5. Education level [REQUIRED]
Answer type: Single choice
Available choices: Primary school • Middle school • High school • University • No schooling

Q6. Profession [optional]
Answer type: Free text

Q7. This person does not travel (baby, elderly, sick...) [optional]
Answer type: Checkbox
If ticked: frequented places are not asked for this person.

FREQUENTED PLACES — for EACH person (unless "does not travel")

REQUIRED: at least 1 place per person (blocked otherwise). Recommendation shown: 3 to 4 places — 1-2 shops, workplace or school, 1-2 leisure/community places (church, bar, community space...), 1-2 friends.

For EACH place added, the following 4 questions are asked:

Q1. Place type [REQUIRED]

Answer type: Single choice

Available choices: Shop • Work • School • Leisure / community • Friend / family

Q2. Name of the place / person [REQUIRED]

Answer type: Free text

Q3. Frequency [REQUIRED]

Answer type: Single choice

Available choices: Every day • Every week • Every month • Rarely

Q4. Why? (free text) [optional]

Answer type: Free text

End of the Household survey: “Survey summary” screen (persons, house, utilities) then “Save survey” button.

SURVEY 2 — COMMERCE (shop, workshop, clinic)

Flow: type choice → Commerce details (8 questions on one screen) → summary → save.

Q1. Business name [REQUIRED]
Answer type: Free text

Q2. Owner name [optional]
Answer type: Free text

Q3. Business phone [optional]
Answer type: Free text (phone keyboard)

Q4. Products / activities [REQUIRED]
Answer type: Multiple choice + free additions (at least 1 REQUIRED)
Available choices: General groceries • Drinks • Bread & pastry • Fruits & vegetables • Meat & fish • Food / cooked meals • Household products • Cosmetics & beauty • Hairdressing • Clothing & shoes • Fabrics & tailoring • Phones & accessories • Airtime & Mobile Money • Electronics • Spare parts • Hardware • Building materials • Cooking gas • Medicines / pharmacy • Stationery & school • Furniture
+ field "Other product or activity…" to freely add anything else.

Q5. Number of workers (owner included) [REQUIRED]
Answer type: Number (- / + buttons, minimum 1)

Q6. Weekday hours [REQUIRED]
Answer type: Open (opening time + closing time) or Closed

Q7. Saturday hours [optional]
Answer type: Open (times) or Closed

Q8. Sunday hours [optional]
Answer type: Open (times) or Closed

End: "Summary" screen (Commerce details) then "Save survey".

SURVEY 3 — PUBLIC SERVICE (school, health, government)

Flow: type choice → Public service details (9 questions on one screen) → summary → save.

Q1. Place name [REQUIRED]
Answer type: Free text (e.g. Fotouni public school)

Q2. Category [REQUIRED]
Answer type: Single choice
Available choices: School / education • Health centre / hospital • Government office • Community building • Water point / fountain • Antenna / infrastructure • Place of worship • Other
If "Other": REQUIRED follow-up question "Specify the category" (free text).

Q3. Managing organisation [REQUIRED]
Answer type: Free text

Q4. Phone [REQUIRED]
Answer type: Free text (phone keyboard)
"No phone" button available if the building has no number (fills "none").

Q5. Number of workers (teachers, doctors, agents…) [REQUIRED]
Answer type: Number (direct input, e.g. 12 — enter 0 if none)

Q6. Maximum capacity [REQUIRED]
Answer type: Free text
Examples shown by category: school → "400 students"; health → "25 beds"; others → "200 users".

Q7. Current usage [REQUIRED]

Answer type: Free text

Examples shown by category: school → “320 enrolled students”; health → “40 patients/day, 2 doctors”; others → “80 users/day”.

Q8. Opening hours [REQUIRED]

Answer type: Open (opening time + closing time) or Closed

Q9. Notes [optional]

Answer type: Free multiline text

End: “Summary” screen (Public service details) then “Save survey”.

SURVEY 4 — SACRED / TOURIST SITE (heritage)

Flow: type choice → Sacred / tourist site details (14 questions on one screen) → summary → save.

Q1. Site name [REQUIRED]
Answer type: Free text (e.g. Fotouni Chiefdom, Metche Falls)

Q2. Site type [REQUIRED]
Answer type: Single choice
Available choices: Sacred site • Tourist site • Both

Q3. Category [REQUIRED]
Answer type: Single choice
Available choices: Chiefdom / royal palace • Sacred forest • Place of worship • Tomb / mausoleum • Waterfall / natural site • Cave • Museum • Monument / statue • Viewpoint • Craft market • Other
If "Other": REQUIRED follow-up question "Specify the category" (free text).

Q4. Description / brief history [optional]
Answer type: Free multiline text

Q5. Manager / authority (chiefdom, community, State…) [optional]
Answer type: Free text

Q6. Access conditions [REQUIRED]
Answer type: Single choice
Available choices: Free access • Paid access • Permission required
If "Paid access": REQUIRED follow-up question "Entry fee (e.g. 1,000 FCFA)" (free text).

Q7. Visiting hours [optional]
Answer type: Open (times) or Closed
If filled, closing time must be after opening time.

Q8. Best period to visit [optional]
Answer type: Free text

Q9. Are photos allowed on site? [REQUIRED]
Answer type: Yes / No

Q10. Cultural restrictions (dress code, rituals, forbidden areas…) [optional]
Answer type: Free multiline text

Q11. Facilities available on site [optional]
Answer type: Multiple choice
Available choices: Parking • Toilets • Local guide • Food • Lodging

Q12. Access road condition [REQUIRED]
Answer type: Single choice
Available choices: Good • Average • Difficult

Q13. Contact phone [optional]
Answer type: Free text (phone keyboard)

Q14. Notes [optional]
Answer type: Free multiline text

End: "Summary" screen (Sacred / tourist site details) then "Save survey".

APPENDIX — Information collected at ADDRESS CREATION

Before any survey, the digital address creation collects the following information (5-step wizard):

Step 1 — Measure Doorstep

Q1. GPS position of the door [REQUIRED]
Answer type: Automatic measurement (latitude, longitude, accuracy in metres)
The surveyor stands at the door; accuracy is displayed in real time.

Step 2 — Details

Q2. District [REQUIRED]
Answer type: Text (auto-detected if online, otherwise manual input)

Q3. Sector [REQUIRED]
Answer type: Text (1-2 letters)

Q4. Street (number) [REQUIRED]
Answer type: Number

Q5. House (number) [REQUIRED]
Answer type: Number

Q6. Contact name [optional]
Answer type: Free text

Q7. Phone [optional]
Answer type: Free text

Q8. Notes (e.g., 2nd floor, blue door) [optional]
Answer type: Free text

Step 3 — Direction & Photo

Q9. Door direction (azimuth) [REQUIRED]
Answer type: Compass ("Lock direction") OR manual choice among 8 directions
Available choices: N (0°) • NE (45°) • E (90°) • SE (135°) • S (180°) • SW (225°) • W (270°) • NW (315°)
REQUIRED: impossible to continue without an azimuth.
Instruction: stand outside, facing the entrance, phone flat at chest height, top of the phone towards the door.

Q10. Building photos (up to 5) [optional]
Answer type: Camera photos
Each photo automatically records the GPS position and the camera direction.

Step 4 — Satellite correction

Q11. Position correction on satellite image [optional]
Answer type: Drag the orange dot onto the exact door
The blue dot (measured GPS) stays visible for comparison. Buttons: "Save and continue" or "Continue without correcting".

Step 5 — Review

Address recap (EFYL code, coordinates, contact) then save. The QR screen then immediately offers: "Do the survey now".
